Other Information:

Arco blades refurbished. Service includes:

- Replacing any broken plastic pieces as necessary
- Replacing the cutter blade
- Sharpening the comb

Please Note: Full payment is expected on the date services are rendered. Orders not including payment will not be processed until payment has been received. To avoid delays, please include card information or check with your order. Any returned payment (ie returned checks, chargebacks) not fully satisfied within 30 days of the returned payment will incur a \$25.00 charge in addition to any returned payment fees.

Clipper blades worn beyond sharpening will **not** be returned with your sharpening order UNLESS a written request is enclosed with your order. If you request, they will be returned in pieces as they can no longer be used. We do not charge for any blades that cannot be sharpened.

We enforce a \$20.00 fee for all returned checks. Payment via check may delay return time for sharpening services due to additional time required to process checks.
